MEMORANDUM FOR THE RECORD

Staff Meeting Minutes of 15 December 1981

The Director chaired the meeting. []

25X1

The Director reported that last week he testified before the Oversight Committees on Presidential Findings and before the Senate Judiciary Committee on the FOIA Bill which is currently being marked-up. The Judiciary Committee advised the Director it will support the Agency on FOIA but recommended the Agency make a stronger case about the losses of sources and assets because of the current law. The Director thinks we can do this. []

25X1

The Director noted CIA has made important contributions to understanding what is currently going on in Poland. []

25X1

The Director said he and Admiral Inman meet on 16 December with the NSPG to brief on the capabilities study. []

25X1

25X1

[] said that there would be a Cabinet Council meeting tomorrow and one of the topics to be discussed would be LANDSAT. He suggested the Director, Admiral Inman, or he attend because the discussion on LANDSAT will involve plans to privatize the system. The Director noted that he was already scheduled to attend that meeting. []
